"Renewal / De novo of Registration"

Now allowed three months prior to Expiry of Registration

[Executive/ Professional Programme Students may seek Registration Denovo as per their eligibility, three months prior to expiry of their registration.]

Earlier students were allowed to renew their registration only after expiry of their registration period. It was noticed that students were facing difficulty to submit their Examination Enrollment Forms due to their registration expiring on the last dates of examination enrolment.

To facilitate such students, the Institute has decided to open the window for renewal of Registration, three months prior to expiry of students's registration.

Now students whose registrations are going to expire can renew their registration well in advance i.e., three months before expiry of their Registration. The process of Renewal of Registration is available at www.icsi.edu or at the following url:

https://www.icsi.edu/media/webmodules/user_manual_for_reg_denovo.pdf

It is reiterated that, students whose registration are not valid on the date of filling of examination enrolment form, they will not be eligible to seek examination enrollment to the respective sessions of examinations.
